

National Sign Language Assessment (NSLA)
Sign Language Proficiency Interview in American Sign Language (SLPI: ASL)

**PERMISSION TO USE NSLA SLPI:ASL VIDEOS
FOR TRAINING, DEMONSTRATION, AND RESEARCH**

Dear Candidate:

In order to help ensure we are able to provide quality SLPI:ASL services, in-service training is provided for the Bridges Oregon, Inc's NSLA SLPI:ASL team members, and training is sometimes necessary to add additional NSLA SLPI:ASL team members. In addition, persons who may/will be taking the NSLA SLPI:ASL often request the opportunity to see examples of signers who achieve each of the NSLA SLPI:ASL rating levels.

Given the above, we wish to request your permission to use your SLPI:ASL Interview video to assist us in conducting NSLA SLPI:ASL training, demonstration, and/or research.

If you are willing to give us permission, please sign below and return this form to NSLA SLPI:ASL Coordinator at nsla@bridgesoregon.org.

My signature below signifies my granting permission to Bridges Oregon, Inc's National Sign Language Assessment to use my NSLA SLPI:ASL video for training, demonstration and/or research purposes.
