Communication Facilitators (CFs)

- Provide DeafBlind and Deaf or Hard of Hearing Oregonians with an upper mobility disability with access to make and receive video to video and Video Relay Service calls.
- Available throughout Oregon 24 hours a day, 7 days a week, 365 days a year with no restrictions on the number, length, or type of video call.
- All requestors' information and video calls regardless of content are confidential.
- Out of state visitors may use CF services.

Request CF Services

- Register on Mizaru.io
- Fill out the form and provide your information.
- Submit request at least three (3) days in advance.

Join the Team!

- All CFs are required to be fluent in American Sign Language and pass several online training modules.
- Training will take up to a total of 40 hours, 32 hours are online and 8 hours are in person with a requestor and experienced CF.
