

White-skinned Latina with dark wavy hair pinned back, long/dangly dark silver earrings in a gray top shares an announcement.

“Hello! I’m Sammi, the VOCA Advocate here at Bridges Oregon. I have news to share with you! We have Julie Emergency Contraceptive, E.C. for short. What is it? It’s a form of birth control. We have a limited stock available.

This is for everyone. You don’t have to be a victim/survivor to be eligible to receive Julie Emergency Contraceptive. This is 100% confidential. You can come to Bridges Oregon office anytime.

This E.C. is available to minors or for those over 18. For those who are under 18, you do not need parental consent and signature nor will we notify your parents. We’re here for you!”

Ending in flyer with “Contact Your Advocate” email at advocate@bridgesoregon.org or call (971) 202-1500. Visit our website for more information at <https://bridgesoregon.org>.
